P.T.O

Application praying that in the circumstances stated in the affidavit filed therewith the High Court be pleased

(1) To seize immediately the elephant bearing Microchip No. 0006593 AC1 and present it before the nearest veterinarian for the medical examination as soon as possible.

(2) To issue a writ or any other direction to the respondent state and the respondent board to constitute a panel of doctors for the treatment of the tusker.

(3) To issue a writ or any other direction to ensure the proper rest and care to the tusker and to prohibit the parading of the tusker.

(4) To issue any writ or other direction to move the tusker to any facility where the tusker can be medically treated and rehabilitated with immediate effect.

P.T.0

DR. A.K.JAYASANKARAN NAMBIAR, J.
&
GOPINATH P., J.

W.P.(C).NO.13204 OF 2021

Dated this the 12th day of April, 2024

ORDER

Gopinath P., J.

When these matters were taken up on the last occasion we had directed that some additional restrictions on the parading of captive elephants must be put in place considering the present climatic conditions in the State and also keeping in mind the repeated instances of captive elephants running amok that have been reported by the media. In furtherance of the directions issued by us, Sri.Nagaraj Narayanan, the learned Special Government Pleader (Forests) has placed before us a copy of the Circular [Circular No.1/2024] dated 11.04.2024 issued by the Principal Chief Forest Conservator (Wildlife) & Chief Wildlife Warden Kerala regarding the parading of captive elephants especially taking into consideration the present climatic conditions in the State. We have perused the Circular, and we direct that the provisions of the above Circular be strictly implemented by all Officers concerned without fail. We make it clear that any instance of violation of the above Circular will be treated as a violation of the orders of this Court and suitable action will be taken on that basis.

2. The learned Special Government Pleader (Forests) has also made available to us certain instructions issued regarding the conduct of the *Thrissur Pooram*, where a large number of captive elephants are expected to be paraded. As in the case of Circular No.1/2024, we direct that the additional instructions issued in regard to the conduct of the *Thrissur Pooram* shall also be strictly enforced by the Officers concerned including Officials of the Police Department, the Revenue Department, the Veterinary Department and the Forest Department, and any violation of the terms of the additional instructions shall be dealt with as in the case of any violation of Circular No.1/2024. For the sake of clarity, we make it clear that the instructions issued specifically in relation to the conduct of *Thrissur Pooram* shall be in addition to and not in derogation of the instructions issued in Circular No.1/2024 dated 11.04.2024. To ensure that no injured elephant or any other elephant, which is incapable of being paraded, is so paraded in the *Thrissur Pooram*, we direct that the fitness certificate in respect of each of the captive elephants that are proposed to be paraded/used in connection with the *Thrissur Pooram* shall be made available to this Court by 5.00 p.m. on 16.04.2024 positively. Any captive elephant whose fitness certificate is not produced before this Court by 5.00 p.m. on 16.04.2024 will not be permitted to be paraded in the *Thrissur Pooram* this year. The learned Special Government Pleader (Forests)

shall ensure that the details of the fitness certificates and the list of the elephants proposed to be paraded in the *Thrissur Pooram* this year will be shared with Sri.T.C.Suresh Menon and Adv.Sri.Arun Chandran, the learned *amici curiae*.

3. Sri.Sandesh Raja, the learned counsel appearing for the 54th respondent brought to our notice that a wild elephant has fallen to a pit near Kothamangalam. Sri.Nagaraj Narayanan, the learned Special Government Pleader (Forests) submits that every effort is being made to rescue the elephant and release it back into the forest. He assures us that darting will be done only if it is necessary. The jurisdictional Police Officers shall ensure that there is no crowding of the public at the site of the rescue. They shall provide necessary assistance to the forest officials to ensure that there is no law and order situation and overcrowding of the public at the site of the rescue. It is further directed that every effort shall be made by the forest officials to release the elephant into the forest after ascertaining its health condition.

Post on 17.04.2024 at 11.00 a.m. through VC.

I.A.No.8/2024 in W.P.(C).No.13204/2021:

Having regard to the averments in the affidavit filed in support of I.A.No.8 of 2024 pertaining to the elephant by name

“*Mangalamkunnu Umamaheswaran*”, we deem it fit to direct that the said elephant shall not be permitted to be paraded in any festival or used for any commercial purpose without obtaining further orders from this Court. The said elephant shall be tethered in suitable conditions at Palakkad where it is currently situated. The Assistant Conservator of Forest, Social Forestry Division, Palakkad, who is personally present in Court today, will ensure that the above elephant is properly taken care of. He will file a report before this Court within one month from today, after monitoring the health condition of the elephant.

I.A.No.5/2024 in W.P.(C).No.13204/2021:

The above I.A. is filed regarding the captive elephant “*Pananchery Gajendran*”. After having heard the learned counsel appearing for the applicant, Sri.T.C.Suresh Menon, the learned *Amicus Curiae* and Sri.M.R. Hariraj, learned senior counsel, we are convinced that the elephant “*Pananchery Gajendran*” should not be allowed to be paraded until further orders from this Court. It is clear from the submissions made on behalf of the 40th respondent in the I.A, (who is stated to be the person in possession of the elephant) that he had obtained the elephant from one Uttoli Krishnan. It is pointed out to us by Sri.M.R. Hariraj, learned Senior Counsel, that the ownership certificate shows the name of the elephant in question as “Mahadevan” and the owner's name as Neelakandan Namboothiri

and that it is not clear as to how the elephant came into possession of the aforesaid Uttoli Krishnan and thereafter with the 40th respondent in the I.A. The elephant is now stated to be in Alappuzha District. We therefore direct the Assistant Conservator of Forest, Social Forestry Division, Alappuzha to ensure that the elephant shall not be transported outside Alappuzha. The Assistant Conservator of Forest, Social Forestry Division, Alappuzha will also ensure that proper care is given to the said elephant at the place where it is currently tethered. If necessary, the Assistant Conservator of Forest, Social Forestry Division, Alappuzha, who is personally present in Court, is authorised to issue necessary directions to the 40th respondent in the above I.A. regarding the proper care and custody of the elephant. The Assistant Conservator of Forest, Social Forestry Division, Alappuzha, will also ensure that the elephant is not paraded or used for any commercial purposes without obtaining further orders from this Court.
